**OSRAP MEMORANDUM 07-15**

TO: Fiscal Officers  
ISIS Agencies

FROM: Afranie Adomako, CPA  
Director

SUBJECT: FY 07 Outstanding Pre-encumbrances

Pre-encumbrances commit portions of your FY07 budget and are used to calculate the amount of money your agency has left to pre-encumber in an appropriated program.

All pre-encumbrances for FY 07 regular appropriations must be liquidated or canceled on or before June 30, 2007. ISIS will not "automatically" cancel pre-encumbrances. Furthermore, after June 30, 2007, agencies will not have the ability to liquidate these amounts and they will remain pre-encumbered on the EAP2 table.

Attached, for agencies with open requisition transactions, is a Business Objects Report that shows requisitions in AFS with an amount outstanding. Use this report and any other agency specific reports which you may have developed to determine if your agency has any pre-encumbrances that need to be liquidated.

Agencies cannot issue pre-encumbrances or encumbrances through AGPS/CFMS during the 45-day closing period for FY07. Although AFS will allow you to create Purchase Orders for FY07 during the 45-day period, it is illegal for agencies to do so.

Contact the appropriate section of the ISIS Help Desk at (225) 342-2677 if assistance is needed in liquidating or canceling any pre-encumbrances that are no longer needed. If you have any further questions, please contact the OSRAP Help Desk at (225) 342-1097.
