MEMORANDUM OSRAP 10-05

TO: Fiscal Officers
All ISIS Agencies

FROM: Afranie Adomako, CPA
Director

SUBJECT: AFS Processing of Budget Documents for Executive Order BJ 09-11 BA-7s

The guidance in this memo is applicable to agencies affected by Governor Jindal's Executive Orders BJ 09-11 which decreases expenditure budget in an agency's program(s) and moves them into an 'Unallotted Program.'

Agencies should use an Appropriation Unit titled **PRA** to facilitate the tracking of the expenditure decrease moved into the 'Unallotted Program.' See attached Organization forms – examples 1 and 2.

Example 3 attached illustrates a screen print of the Appropriation Document (AP) necessary to move these funds in AFS.

Example 4 attached illustrates a screen print of the Expense Budget document (EB) necessary to move these funds in AFS. You will use organization code "BJ01" and object code "4899" (Unallotted). If the appropriation unit PRA is not set up yet, this EB document will REJECT. If this happens, please wait until your AP document is ACCEPTED in AFS before approving the EB document.

If you have questions concerning this memorandum, please contact James Lodge, James.Lodge@la.gov. Remember all OSRAP memorandums and forms may be accessed through our home page at <http://www.doa.la.gov/OSRAP/index.htm>
