OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2006-56

TO: All ISIS HR Paid Agencies

FROM: Jena W. Cary
Director

SUBJECT: March 2006 Quarterly Update - Employee Claims

The Office of State Uniform Payroll (OSUP) is reporting claims (overpayments) that have been cleared in ISIS HR for quarter ending March 2006 for separated employees to reflect correct earnings on the employee's W-2. The taxable income on the W-2 was increased to reflect the portion of the original overpayment that was not recovered. These claims will no longer be identified on the Payroll Reconciliation Report (ZP145) that agencies use in identifying existing claims. However, agencies should still follow agency procedures on the recoupment of these overpayments. Refer to the following ISIS Bulletin Board for more information about claims:

http://www.doa.state.la.us/ois/Service/Bulletin_Boards/HR/04_11_03.htm

The spreadsheet, if one is attached, provides the personnel area, personnel number, employee name, and gross claim amount for each separated employee claim. All employees listed are separated and a payroll block has been placed on the employee's record. If an ISIS HR paid agency rehires the employee, this block must be removed by ISIS HR staff in order for the employee to process through payroll. The Potential/FI Error Audit Report (ZP45) will notify agency staff of the block at the time of the rehire. The agency is then requested to place a Help Desk call. Once notified, ISIS HR staff will re-establish the claim (status will become Active) and delete the payroll block. For more information on claim (wage type /561) status, review OSUP Memo #2003-53.

NOTE: Each year, OSUP will distribute to agency/department undersecretaries a detailed listing of claims that have not been resolved. This listing will provide your agency with the total dollar amount of non-budgeted expenditures charged to your agency's appropriation(s) during the fiscal year.
